Work Experience

DFO Global

Sept 2019 - Dec 2024

Frontend Developer

- Developed and optimized high-converting ecommerce storefronts and marketing landing pages using HTML, CSS, and JavaScript
- Collaborated with UX/UI designers to implement pixel-perfect designs and optimize CMS-driven websites, ensuring seamless content management while maintaining brand consistency across multiple platforms.
- Worked alongside marketing specialists to integrate A/B testing frameworks on landing pages, providing data-driven insights that informed design decisions and increased purchase conversion rates.

ZingChart

May 2016 – July 2018

Marketing Associate

- Developed data visualization demos using HTML, CSS, JavaScript, and the ZingChart JavaScript library, tailored to a developer audience.
- Authored technical blog posts highlighting the use of ZingChart in combination with the MERN stack, driving engagement and technical interest.
- Implemented and A/B tested user interface optimizations on marketing websites and landing pages, resulting in a 50%+ increase in sales.

Source Intelligence

March 2016 – May 2016

Marketing Associate

- Developed and executed content, social media, and SEO strategies to drive brand awareness and engagement.
- Managed and grew company LinkedIn and Twitter accounts, increasing follower engagement and visibility.
- Wrote SEO-optimized blog posts as a key component of the content strategy, boosting organic traffic and search rankings.

Education

University of California, Riverside

December 2014

Bachelor of Arts in Political Science
